The “ASDS Junior/Young Rider and Adult Team Championship” is a unique show for riders featuring team competition in dressage and a mounted awards ceremony. This is an unusual dressage event for us in Hawaii, because it allows riders to compete in teams. It is an ASDS-sponsored event and NOT a USDF/USEF recognized competition.

To Enter: There are no qualifying scores needed to enter. You may enter as part of a team, or as an individual to be put on a team. Any individual or partial team needing team members is encouraged to send in their entry and we will do our best to form a mixed team. You must either be an ASDS member or pay an additional $10 non-member fee to participate.

How do we form a team? A team will consist of 3 or 4 riders; each rider may ride any level from Introductory to FEI (awards will be based on percentage scores). It is expected that horse and rider combinations, which compete throughout the year, will ride at the same level in this event. With this structure, teams should be easy to put together. Higher-level riders will be riding more difficult tests, but they have the advantage of experience. Lower-level riders often have less experience, but they will be riding easier tests. We hope that mixing levels will foster a spirit of cooperative learning and encourage riders to help each other.

What happens at the competition? How does a team compete? Pick one of two Divisions.

Division A: Musical Freestyles – 5 minutes, choreographed to music as a team. No restrictions or requirements for level.

Division B: Tests – Each rider will ride one test. All tests used will be the current authorized test and will consist of Introductory Level through Fourth Level and FEI tests.

Team names: Whatever your team agrees on. You can have fun with this.

Awards: Ribbons will be awarded for first to sixth place per division. Placing will be determined by the average of each team’s total percentage scores. Champions from each Division will receive a Special Award.

The Champions from each Division will be named and recognized at the Annual Awards Banquet.

Scoring: All scores from each team member will be counted. No scores will be dropped. Percentage scores from each team member will be added together and the sum divided by the number of tests ridden by the team.

Parents are encouraged to participate as show staff and crew.

Parent or guardian of riders under 18 years of age must sign the entry form.
