

JYRC Scholarship Application

The JYRC Scholarship is available to ASDS participating members 21 years and under, in good standing.

Riders may apply for up to \$300 in scholarship funds per year. Funds may be used for any ASDS or USDF-sponsored educational event, excluding horse shows.

These funds are made possible by generous volunteers who gave their time and efforts to support our young riders and the future of dressage in Hawaii. Priority will be given to applicants who demonstrate a spirit of sportsmanship by volunteering at shows and events above and beyond minimum requirements, even if not qualifying for year-end awards.

To apply, fill out this application form and submit to ASDS. A committee will review and approve qualified riders. Applications will be accepted any time, starting in 2018.
