You will receive an email with a link to your entry form. (**HOLD until Step 3**)

If you plan on submitting videos for different tests, you need to purchase one ride for each test.

STEP 2: Record your test

Filming your test does not need to be with a fancy video camera. The best way to film your ride is with your mobile phone! Check the "Ride and Review" rules here: <https://virtualhorsesport.com/the-rules/>

1. Have a friend stand at or near the letter C. The test may be videoed from Letters C, F or E, with the sun at your back. C is best.
2. When filming make sure the lighting is good and the film clear. Stand with sun **IN BACK OF YOU**
3. Position your phone in landscape

STEP 3: Fill Out Your Entry and Upload Your Video **BY the Deadline**

- Click on the entry form in your email. This will take you to your online form
- Fill out the entry form with your name, horse name, test and other fields there.
- Upload your video. There are 3 different options:
 1. UPLOAD YOUR VIDEO TO YouTube.com directly from your phone and copy the link.
 2. Upload to the server directly within the entry form (May take 30 minutes depending on internet speed)
 3. In the entry form, Click on the Virtual Horse Sport Google Drive & drop and drag your video into the drop box.
- Click the "SEND ENTRY"

YOU ARE DONE!

You now wait for the judge to review your test. You will be notified by email when your ride has been judged and comments provided.
